castle and its extensive gardens before having lunch in the Castle View Restaurant (included). We then return to the hotel where your evening is at leisure (dinner independent).

Thursday 22nd May

Our first visit today is a pre-opening guided tour of **Great Dixter House and Garden**, a cottage garden on a grand scale developed by the late Christopher Lloyd. The gardens are now superbly curated by internationally renowned gardener, Fergus Garrett.

We then make a stop in the delightful medieval town of **Rye**, where there is time to explore and have lunch (independent). In the afternoon we visit the private garden of **Fairlight End**. This scenic garden integrates the countryside and garden landscape with contemporary features. Friday 23rd May

We begin the day with a pre-opening visit to **Sissinghurst Castle Gardens**, a romantic garden created around a slender brick-built castle tower. Its designer Vita Sackville-West's own words describe the garden perfectly: "*Profusion, even extravagance and exuberance within the confines of the utmost linear severity*". There is time here for lunch (independent).

In the afternoon, we visit a small, but **fascinating private garden**. We meet the artistic owner who has created this garden during the last 30 years. We enjoy our final night's dinner in the hotel (included).

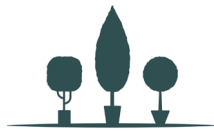

Saturday 24th May

After check-out, we head to **Great Comp Garden**, an informal garden set against a background of deciduous woodland. The gardens are now cared for by curator William Dyson, the UK's leading Salvia expert. There is time for lunch (independent).

After lunch, we make our final visit to the beautiful private gardens at **Long Barn**. This was the first home of Vita Sackville-West and Harold Nicolson where they 'served their gardening apprenticeship', before moving to Sissinghurst. In the late afternoon we drop off at the Sheraton Heathrow Hotel and Heathrow Airport Terminal 3 for inter-terminal transport links and the Heathrow Express or Elizabeth Line trains into London.
