

Les Jardins et Châteaux of Normandy, France

19th - 26th June 2026 (7 nights)

Join us for an exciting exploration of the Castles and Gardens of Normandy. Thanks to the mild Gulf Stream that warms Normandy's shores, and the rich fertile land, it's no surprise that this green agricultural region – famous for its dairy produce – is ideally suited to the cultivation of beautiful gardens. Accompanied by our expert, bilingual guide we'll explore historic castles, formal French gardens, innovative contemporary new-comers and personal gardens created with exceptional care.
